OSS

25 YEAR RE-REVIEW

September 12, 1958

Dear Paul:

Running through some old papers I find the attached draft of part of a projected history of OSS, Paris, R and A Branch. It was never to my knowledge reproduced in other form and so is unique. It belongs with the rest of OSS history, which is in custody of CIA. Can you insure proper location of this material?

Sincerely,

STAT

Director
Office of Intelligence Research and Analysis
